| <b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>                     | I live in REDACTED TEXT in Mosley common and have been living here over and really enjoyed living here but the traffic leading to Mosley common road to east Lancashire rode is horrendous and there is a huge traffic queues from 7 till 10 AM and 3 till 7 PM which is a lot for a small road. Also there are lots of new build estates here(redrow, bellway, row land homes etc) and we already lost green areas and facing several traffic issues. I would request you to please not approve additional houses because it will cause a bigger traffic problems which is very difficult to manage. |
| <b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b> | Please stop building the new houses in this area  |
