<b>Compliance - Legally compliant?</b>	No
<b>Compliance - In accordance with the Duty to Cooperate?</b>	No
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	I feel like we are already over run with new housing developments and schools are already struggling. Our green land and wild life are being lost and the traffic and pollution at lane head is already highest in England.
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	Not build on the land especially directly near lane head where the pollution is so bad
