<b>Soundness - Effective?</b>	Unsound
<b>Compliance - Legally compliant?</b>	NA
<b>Compliance - In accordance with the Duty to Cooperate?</b>	NA
<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>Why are you considering green belt land? I have lived here for over 40 years and this area has had multiple developments in that time. The Dare Estate at the end of Bamford Way. The Barratt estate which took over a huge swathe of farmland. Another huge development. on the right of Clay Lane and through Norden Village. More around St Vincents area. The roads around here just cannot take any more traffic.</p> <p>You talk of 450 houses. Thats probably 900 adults and 900 children and probably 900 more cars. The area will be just gridlocked and certainly won't be a pleasant place for anyone to live or be a neighbourhood of choice.</p> <p>There must be many brown field areas with easier access.</p>
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	<p>8 You say improve the quality of our natural environment and green spaces. in actual fact you would be destroying the environment and reducing green spaces.</p> <p>There won't be any areas for children to play football away from roads and houses or go for nature walks. Good free entertainment and a health benefit.</p>
