<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	<p>Far too many houses are being built on this green belt land.</p> <p>As a result, traffic congestion will reach unacceptable levels for residents.</p> <p>There will also be increased levels of air and noise pollution.</p> <p>The loss of green belt land will cause the destruction of wildlife habitats, and have a negative effect on mental well-being.</p> <p>Tyldesley seems to be one of these ex mining/mills towns, that governments are not bothered about.</p>
<b>Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.</b>	Do not build, or radically reduce, the number of houses that are being proposed in this area.
