Compliance - In accordance with the Duty to Cooperate?	NA
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	<p>The area is already hammered with too many cars. This issue has already been made worse due to the new houses in Mosley Common. There is no planned infrastructure upgrades. Doctors. Schools. Etc. The council seems to totally dismiss the residents concerns. Enough is enough and something has to be done. It's almost impossible to get anywhere now, let Alone when 1100 houses are built</p>
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	Do not build anymore houses around this area
