Soundness - Effective?	Unsound
Compliance - Legally compliant?	No
Compliance - In accordance with the Duty to Cooperate?	No
Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.	Traffic on mort lane is bad enough without extra houses. Building on green belt land is not good enough. I moved here to have fields and walk paths within reach of us. Traffic in Mosley common road at peak is unbelievable. Everyone heading to the motorway junction at Worsley. Also using the east lincs road to city centre. We need better transport infrastructure. Area is going to get built up to much. Have to leave early for work in the morning to miss traffic to city centre. How much earlier do I have to get up then?
Redacted modification - Please set out the modification(s) you consider necessary to make this section of the plan legally compliant and sound, in respect of any legal compliance or soundness matters you have identified above.	None.
