| Title | Supporting Evidence |
| Type | Web |
| Redacted comment on supporting documents - Please give details of why you consider any of the evidence not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible. | It is my opinion that you have deliberately made this consultation as difficult as possible for anyone to understand and complete. You have failed to take into account people with learning disabilities, elderly or people who do not have English as their first language. The message is very clear, we object to the proposal and suggest that you do not allow any more building in an already over populated area |
