<b>Redacted reasons - Please give us details of why you consider the consultation point not to be legally compliant, is unsound or fails to comply with the duty to co-operate. Please be as precise as possible.</b>	We are a bowling green with 150 members .we are self funding and the road is planned to go straight thru our car park. This will leave the green vulnerable to vandalism . The council going forward are looking to give up maintenance on council greens.The majority of our members are pensioners who just wish to keep active .
