

Have your say on how buses are run – consultation

Response form – short version

This consultation will run from midday on Monday 14 October 2019 to 23.59 on Wednesday 8 January 2020.

Please note that this is the short version of the response form. A longer version is also available, which includes additional questions to the ones included in this form.

Background

In June 2017, Greater Manchester Combined Authority (GMCA) decided to consider the use of the powers under Transport Act 2000 (as amended by the Bus Services Act 2017) which gives Mayoral Combined Authorities, including Greater Manchester, powers to improve bus services by reforming the current bus market. The options available included franchising – the system used in London and other cities globally – and various forms of partnerships.

That Assessment was completed in June 2019, as was a draft Proposed Franchising Scheme which identified (amongst other things) which services would be franchised under that scheme. The Assessment was then sent to an independent auditor for review as required by the Act and a report with the auditor's opinions on the Assessment was issued on 26 September 2019. Since completion of the Assessment revisions to the draft Proposed Franchising Scheme have been made. For the purposes of this consultation, it is the Proposed Franchising Scheme, including those revisions, which is being consulted on.

Who can take part?

Anyone can take part in the consultation. You do not have to live in Greater Manchester or be a regular bus user. In fact, we would like to hear from people who don't currently travel by bus.

You can answer as a member of the public or in an official capacity (e.g. as an elected representative, statutory consultee, business or other organisation).

Please be aware that if you are answering in an official capacity your response may be published. Decision makers will have access to all responses during and following the close of the consultation period.

References or quotes from responses from a member of the public will be done on an anonymised basis.
