GET ONLINE GREATER MANCHESTER: FOR YOUNG PEOPLE

In Greater Manchester, we're making sure that everyone has access to the opportunities that digital support can bring, no matter what their location, age or situation. Below are just some of the ways that we are supporting young people digitally across the region.

Support with connectivity

The Greater Manchester Databank provide free SIMS and mobile data to eligible residents via Good Things Foundation's network of local community partners

Loaning or purchasing a device

Need a laptop or tablet? There are lots of loaning and purchase support schemes on offer, subject to eligibility and availability

Support with digital skills

Would you like to improve your digital skills? There's lots of digital skills training and resources on offer across Greater Manchester

Skills Bootcamps

Bootcamps are available for people aged 19+ to help develop skills through free courses in areas such as games development, cyber security and data analytics

Money Matters

A course available across Greater Manchester to support 16-19 year olds with money management skills, like learning about credit scores and how to save

Scan the QR code or head to the website below to find out more about the support and how to access it.
